

## We've had a busy day at SDC!

Today our campers got to experience some great Girl Scout Traditions like making Sit Up ons, cooking in Box Ovens, and singing songs!

Make sure you ask your camper about playing a life-sized game of Hungry Hippo! We loved watching them work as a team, giggling and having a blast!

## Important Pick Up Information

When picking up, we understand that you have been sitting in your car for a while and want to get home as soon as possible. However PLEASE follow our volunteers' directions and pull forward as a group of cars and follow the group out. Do NOT pull out of line even if you have your camper already.

Please stay OFF your cellphones! Campers, PAs and volunteers are running about. Help us keep everyone safe.

Changes to camper pickups must be made in email to [Sharpie](#) NO LATER THAN NOON. After that, we cannot guarantee that we can adjust all of the pick up forms.

### What to Expect Tomorrow

Tuesday will focus on the Element of Wind. This is always a fun day with the big obstacle course and building projects. Your campers will come away with some new skills and ways of looking at solving problems!
